hanging installations

You want to make a statement? I have just the thing! Hanging installations are truly breathtaking and just happen to be my speciality. Everything I do is to the safest standards, using weight rated materials and with consultation with your venue. Safety is number one in this area and I have you covered there.
I have the proper insurances as well as a wealth of experience in this area. If you want to go totally over the top, I even have a rigging team we can work with to make it happen.

Prices start from $600

the process

The journey to choosing a wedding supplier can be confusing, and I aim to make the process as easy and stress free as possible. I'm thrilled you've contacted me and would love to chat to you about I can create for your day.

Consultations

I offer one complimentary consultation from which I then provide you an itemized quote. You also have the option of filling out the "get a quote" form on my website.

Booking info

I do limit bookings to enable me to provide the best service I can and can book out 12 months in advance for popular dates. If you'd like to secure your date prior to a quote you can pay a booking fee ($350) which then comes off your final balance. Alternatively upon receiving a quote, I require a 20% deposit of total quote value. You may make changes to your quote in the lead up to your wedding (total changes cannot reduce overall value by more than 20%).

Please note

Due to the high volume of correspondence I receive, I ask that all questions and changes are made via email. I recommend for ease of communication, that you compile any questions / changes in a word document and either email or discuss in your final appointment no sooner than one month prior to your wedding.

On the day

I provide delivery and setup on the day and will send you a delivery form and checklist that I ask you to read and return no later than one week prior.
All balances are due two weeks before your date. Non payment of balance will be an automatic cancellation of order with deposit forfeited. If you have any questions please feel free to get in touch
